

**Dr. Rahul Chaturvedi**

(b. 1st July, 1963)

Associate Director- Agro. Technical, PepsiCo Inc.;  
Asia Middle East and South Africa (AMESA)  
Email: rahul.chaturvedi@pepsico.com; rahulc63@ yahoo.com

Dr. Chaturvedi, a plant breeder and alumni of G.B. Pant University of Agric. & Tech., Pantnagar carries 30 years of extensive experience, working on various aspects of agriculture development in different continents. For the previous fifteen years, he has been associated with PepsiCo International driving potato variety, seed development, agronomy and sustainability agenda in India and other countries throughout Asia and Middle East. While closely working with the ICAR-Central Potato Research Institute and CIP (International Potato Center), Dr. Chaturvedi played a key role in driving the “Public Private Partnership” agenda and commercializing processing varieties of potato in the country.
